

MERCY MYRA

2017
press kit

Definitely born to sing, Mercy Myra is lauded as Kenya's leading female R&B artist, often viewed as a female pioneer in the Kenyan music scene from the late nineties to 2005.

Since 2001, Mercy Myra has released two commercial albums of her own but has featured on countless albums from artist across the world in support of great music. From crowds of thousands in the Netherlands to highly esteemed delegations of and professionals, Mercy has captured audiences all over the world.

Mercy is an international icon with such powerful magnetism. At her new found home with Atlanta-based label, Nu Royal Records and Grammy Award winning producer, Herman Little III, she aims to continue to transcend borders.
